REQUIREMENTS FOR AN SPORTSMANS PERMIT or KENNEL PERMIT

- Applicant must have 85 feet of kennel space per dog, this includes for dogs that stay indoors most of the day.
- Applicant's property must have enough area to provide a minimum of a one hundred (100) foot buffer zone between the kennels and any neighboring residences.
- Submit a site plan with the application that indicates where all neighboring residences are and the exact linear footage from the outside edge of the kennels to the neighboring homes.
- Applicant must have kennel area inspected by both the Grantsville City Animal Control Officer and the Tooele County Health Department and submit letters of approval from each entity.
- Approvals are for three (3) to five (5) dogs for a Sportsman's Permit. See application for the breakdown of an approval for a Kennel Permit.
- Applicant must submit a complete application and attach all required items (site plan, list of surrounding neighbors and their addresses, legal descriptions, inspection letters, etc.) that are listed in the application to the Zoning Administrator twenty (28) days prior to the Planning Commission meeting that is desired to be scheduled on. The Commission meets the second Thursday of every month.
- A non-refundable fee is required prior to processing the application.
- A Sportsman's Permit is renewable each year in January.
