## Steps to Rezoning

Items to be Submitted with a Rezoning Application are:

1. A completed City application.
2. A legal description of the entire property boundary or portion of the property which the rezone is being requested on.
3. A vicinity map identifying the location of the area proposed to be rezoned.
4. The names and addresses, on mailing labels, with a like number of stamped envelopes for all property owners within four hundred (400) feet of subject property boundary.
5. A \$250.00 non-refundable fee.

**NOTE:** A rezoning goes before both the Planning Commission and the City Council with public hearings being held before each body.
