

Job Announcement for Grantsville City
Professional Engineer

Grantsville City, Utah, is accepting applications for a newly created engineering position. The City is seeking a civil engineer that is professionally licensed in the State of Utah. This position will be open until May 30, 2014.

Position Description:

Works under the direction of the City Mayor. Knowledge of civil engineering theory, methods, principles and practices; engineering and construction standards; software applications and basic programming related to specific engineering software; construction methods and materials common to public works projects; planning and zoning codes, level of service and public infrastructure planning including impact fee calculations related to system improvements, engineering standards and codes. Will be in charge of supervising a crew to oversee the completion of necessary projects regarding infrastructure.

Public relations and interpersonal communication methods; the use of a variety of technical engineering equipment; legal system and procedures affecting planning, zoning and related operations of the city; principles and practices related to local government planning and zoning, economics and sociology; planning and zoning and subdivision law, theory and application.

Ability to read and interpret various civil engineering documents and manuals; effectively deliver public addresses in an open forum setting; visualize completed projects in planning stages and estimate the end results; deliver effective presentations; estimate quantity of materials accurately.

Develop and maintain effective working relationships with elected officials, federal agencies; state agencies; local governments; contractors and the public. Must have the ability to manage several complex projects in an effective/efficient manner.

Salary and benefits:

The salary range for this position is \$66,000.00 to \$76,000.00/yr.

The City currently provides excellent benefits that include State retirement, health and dental coverage, vacation and sick pay, disability, life insurance, and paid holidays.

Qualifications:

A. Graduation from college with a bachelor's degree in civil engineering or related field;

AND

B. Three (3) years of municipal or civil engineering experience with preferred administrative and supervisory experience;

OR

- C. An equivalent combination of education or experience.
- AND
- D. Professional Engineer's license as per Utah State Code.

Resumes:

Applicant will need to submit a completed application along with a resume.

Applicants will be pre-screened according to qualifications.

Closing date for this position is May 30, 2014 at 4:00 p.m. Applications may be picked up at Grantsville City Hall, 429 E Main St. Grantsville or found online at grantsvilleut.gov. Any questions, please contact Susan Gustin at 435-884-4602.
