

# SR-201

Interstate 80 to 9200 West

The Utah Department of Transportation (UDOT) is scheduled to begin a repaving and barrier project in Salt Lake City on SR-201 on Tuesday, July 25. This project will extend the roadway's life, improve the ride and increase safety of the roadway. This is part of UDOT's mission to be proactive in the preservation of the current infrastructure.

## OVERVIEW

- Construction work will begin July 25 and is expected to be completed September 15.
- Work will occur Monday through Saturday, 7 a.m. to 7 p.m.
- Construction areas on SR-201 will be between I-80 and 9200 West.

## WHAT TO EXPECT

- Traffic will be impacted during construction times:
  - During morning peak hours Monday through Friday (6 a.m. to 9 a.m.) two lanes of traffic will be open going eastbound on SR-201.
  - During evening peak hours Monday through Friday (3 p.m. to 6:30 p.m.) two lanes of traffic will be open going westbound on SR-201.
  - During off peak hours there will be one lane of road open in each direction.
- Motorists should expect delays of approximately 15 minutes during work hours.
- Weekend work may occur sporadically throughout the project – please check the project website for updates.
- **Dates and times of construction are subject to change based on weather and equipment.**
- **Please travel slowly through the construction zone and follow posted signs.**

For updates on the project please visit the project website at [www.udot.utah.gov/go/SR201](http://www.udot.utah.gov/go/SR201) or contact the project team at 801-707-3662 or at [SR201@utah.gov](mailto:SR201@utah.gov).
