

FROM THE
MAYOR'S DESK:
Mayor Brent K. Marshall
August 2016

School will be starting August 22nd. It is important that all citizens are aware of pedestrians on our streets. There have been incidents in the past so it is extra important that we look out for the youth of our city. Make sure you talk to your children about street safety when walking or riding a bike. We encourage you to walk or ride with your child the first few times to make sure they know the safety rules.

Live Fit Tooele County is sponsoring "Double Up Produce Days". For every \$1 you spend, they will match \$1. There are three locations: Vine Street Market (197 W. This is for a limited time, up to \$10/transaction.

We will be selling cemetery lots located in the extension east of the current cemetery. For more information, contact Kristy Clark at (435) 884-4601 or email her at kclark@grantsvilleut.gov.

In an effort to keep our city clean and friendly, we ask that you remove yard sale signs at the completion of your sale. Please do not place bulk garbage items at the curb until the night prior to your bulk pick up day. One of the complaints we receive the most is that yards become overgrown with weeds and piles of junk. If your neighbor is having trouble maintaining their yard, give them a helping hand. We all live in a beautiful valley. Let's do our part to keep it beautiful!
