

FROM THE
MAYOR'S DESK:
Mayor Brent K. Marshall
January 2015

Our 3rd Annual Christmas Santa's Light Parade was a big success. We would like to thank those who participated in the parade and came to see Santa. We would also like to thank all those who participated in the Shop with a Cop program. We were able to help out more children this year than in the past due to many generous donations. It is always fun to see the children's faces as they get to shop for something that they might not have received were it not for this program.

As the snow comes please go the extra mile and give service to your neighbors who are in need of help, particularly those who are homebound, by removing the snow from their sidewalks. Opportunities such as this give us a nice, warm feeling and are greatly appreciated.

The First Baptist Church, which serves as the Grantsville City Food Pantry for the Utah Food Bank, would like to thank you for your generous contributions. You helped supply food to 163 people during November. We also would like to remind you that people are in need of food year round. Please continue to contribute so that we can help out our community. If you would like to donate to the Food Bank please call Eve at 849-0923 or Linda at 849-1849.

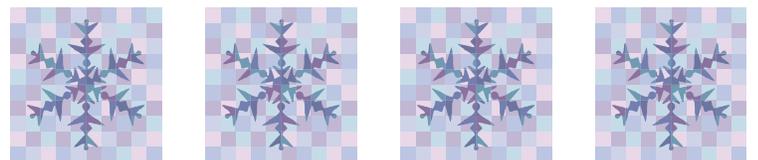

Grantsville City has said that we will not provide water or sewer to the proposed site for the prison as it is outside of our municipal boundaries. We are not interested in annexing the area as we see no benefit to the community by bringing it into our city. We are pursuing all legal avenues to avoid having it in our county. We request your help by contacting our legislators and others legislators with your thoughts. You can also express your ideas, feedback, and concerns to the Prison Relocation Commission through their established email address: PrisonRelocation@le.utah.gov. Interested persons can find additional information on the PRC's website: www.le.utah.gov/prc. The website contains answers to Frequently Asked Questions, newsletters with information, and other materials.

The Utah State University Tooele Campus at 1021 West Vine Street in Tooele will be holding a financial aid workshop. It will be on February 5, 2015 with sessions from 3:00-4:00pm and 5:00-6:00pm. Please RSVP by calling 435-882-6611. Come and learn the FAFSA.gov application process.

Dog licenses will be due March 31st. A clinic will be provided to the public at the Fire Station in March or April. An exact date has not yet been set. We will provide you with further information as it becomes available. We are working on confirming this with the veterinarian.

If you have any suggestions to make our community a better place, please feel free to contact me at City Hall (435) 884-3411.

The 2015 "Old Folks Sociable" is going to be changing their name to the "Grantsville Sociable". It will be held on March 21st this year and there will be much more information coming next month.

We have received this year's audit report which was prepared by Jones Simkins LLC. We are pleased to report that there were no findings. The records have been kept in accordance with governmental standards and there were no internal controls or weaknesses noted. We would like to thank our staff for their combined efforts in this achievement.
