The Grand Marshals for this year's 4th of July celebration will be Veterans from the Middle East Conflicts (those serving from 1990 – present). We will be honoring those who have served in the Middle East Theaters beginning with Desert Shield. We wish to honor those veterans that were activated while living in Grantsville City as well as veterans that currently live in our community. Please submit your name or a veteran's name that you know fits this criteria to the City Office (884-3411). It is important that we honor our troops! At this point we have only a few names submitted and know that there are many more in our community that need to be honored. Please take the time to help us put together this important list.
