The First Baptist Church in Grantsville serves as the food pantry for the Utah Food Bank. We are trying to help many families at this time, and are having a hard time keeping the food stocked. We are asking families and businesses to please donate food so that we are able to keep up with the demand. It is very important with the cold winter months upon us. If you would like to donate to the food bank please call Eve at 849-0923 or Linda at 849-1849.

The Grantsville City Police Department is excited to announce that the "Shop with a Cop" program is now accepting donations. This program helps families that are less fortunate by helping to buy things they need and holiday gifts. The children partner with a police officer who takes them in their police car to the Tooele City Wal-Mart. Once at the store the officer escorts them around the store to help them find the things on their list. The children that are involved are selected based on need due to family situations. They are chosen using several different agencies including the Children's Justice Center, the local School District, and Law Enforcement Agencies. Deputy Jim White has faithfully served the Community the last 10 years with this program and we are very grateful for his efforts. You are able to turn in donations with your water bill by sending a separate check. Please make all donations payable to **Grantsville City "Shop with a Cop."** All donations must be in no later than December 15th at 5:00 p.m. For questions call the Grantsville City Investigation Team at 435-884-6881.

As the Mayor, with the holidays fast approaching, I would like to wish everyone a happy holiday season. Make sure to take time to look out for friends, family, and neighbors that might be in need of help. We need to come together as a community to take care of one another. If you have any requests or questions feel free to contact me at 435-884-3411.
