

Dear Grantsville Resident,

Ace Disposal is now providing you with recycling collection beginning July 1st, 2013. This packet has the notice of your scheduled week and information about what can and cannot be recycled.

Along with your trash collection you will also have a blue single stream recycling container for **every other week** collection. Single Stream Recycling makes recycling easy. With this program you can place all your recyclables (paper, plastic, cardboard, and metals) in one container and roll it out to the curb. **We will be collecting trash weekly and recycling every other week on the same service day.** Your recycle schedule can be found in this packet. Please note that the highlighted week is your recycle service week. You can also find your schedule and service information on our website at www.acedisposal.com.

If you have any questions regarding your container or billing please contact Grantsville City (435)884-3411 and they will inform us of any repairs or can quantity changes necessary. Residents will be responsible for the cart provided; charges for lost, stolen or damaged containers will apply. If you have any questions or concerns with your service, please contact Ace Disposal. We have live customer service ready to help. (See below)

We look forward to servicing your city.

Thank you,

Ace Disposal, Inc
