

Tooele County Bookmobile Information. Due to budgetary concerns, Tooele County Commission is no longer able partner with Utah State Library to provide service through the Tooele County Mobile Library (Bookmobile). It is with great sadness that the service must end and all borrowed items must be return to the Mobile Library by November 7. The Headquarters Library in Grantsville will close and cease circulating materials as well. This is a very difficult decision for all concerned and one that undoubtedly have a negative impact on your community. On behalf of the Utah State Library, it has been a sincere pleasure to serve you for over fifty years.
